

# Entry form for Casambi Awards 2019

## CONTACT PERSON

First Name: \_\_\_\_\_

Last Name: \_\_\_\_\_

e-mail address: \_\_\_\_\_

Profession: \_\_\_\_\_

Phone number \_\_\_\_\_

If you would like to submit an entry as a group, please fill in the names and professions of all group members here (Casambi will contact the main contact person for all communication regarding the Casambi Awards and it will be his/her responsibility to distribute the information to everyone in the group).

## PROJECT

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Application: \_\_\_\_\_

Number of Casambi nodes: \_\_\_\_\_

Please identify all parties that you feel should be mentioned (lighting designer, electrical consultant, other engineering professionals, architect, interior designer, installer, commissioning engineer end user, other clients).

Please tell freely about the specification of the project. How did the project come about? What did the project set out to achieve? What challenges had to be overcome? Describe the results (how it looks, what benefits it brings, statistics on things like energy savings /maintenance etc)

## LIGHTING

Please tell freely about the lighting design concept? Where did the inspiration for the lighting design come from?

## LIGHTING CONTROL

Please tell why Casambi was chosen to control the project? What do you believe Casambi uniquely brings to this specific project/installation/design? What was installed/done? Specifically: what elements does Casambi control?

## ADDITIONAL INFORMATION

Is there anything else you would like to mention? What did you learn personally through the process? Will there be any follow-ups, e.g. future projects building on the success of this one? Have you had any interesting feedback?

---

Please save the form and send it together with 3-10 photographs to: [marketing@casambi.com](mailto:marketing@casambi.com) . By submitting pictures and information, you are agreeing to their publication online.
